STRUCTURE OF THE GLOBAL MEMBERS

The Global Section:

- Is composed of members, honorary members and sponsor (passive members)
- Is not a rival organization to already existing professional organization, but is opened to all – You can become a MEMBER.
- Is not an organization for highly qualified professionals but is opened to all persons engaged in Esthetics and Cosmetology, whatever their level of professional qualifications is and whether they are affiliated to another organization or not.
- Is a means of exchange of professional knowledge and experience. For less qualified people, the Global council Sections world wide offers possibilities of professional advanced development and adoption of Global's Professional Ethics.

Admission of members is decided by the Section Board and verified by the General Assembly of the Section.

AIMS OF GLOBAL SECTION

1. Union of members to coordinate and promote the mutual interest at national and international level.
